General areas of study

Students are encouraged to study a course that specifically caters for their needs from a wide range of subjects available. A broad programme of study operates at Year 9 & Y10, with more subject specialities at Y11-13. The senior school curriculum offers NCEA Levels 1 to 3 plus Level 4 Scholarship. In addition, Cambridge AS level in English Literature and Mathematics is offered at Y12 for selected students. Students are given the opportunity to enter the Australian Schools English and Science competitions.
